

MAGICART

How to be A Global Leader in Services?

Many of us are facing after-sales trouble no matter private or governmental control company, time is invaluable and most worrying for us. Once the machine shut down, the production shut down either, and we start to lose money quickly and come to an operation crisis So what we do here?

- ◆ Fast Action in Services
- ◆ Unconditional Parts Supply
- ◆ Strong Professionalism
- ◆ Spotless Satisfaction

This is how MAGICART started to make business. What we do is giving the fastest services after supplying high-quality level products.

About Us

MAGICART is a leading manufacturer and service provider of cranes and material handling equipment, dedicated to the R & D, design, manufacturing, installation and service of cranes and material handling technology.

MAGICART owns comprehensive products, reliable quality, excellent performance, efficient service. The products are distributed in more than 30 countries and regions around the world. It is widely used in more than 20 professional fields, such as equipment manufacturing, logistics, energy, electric power, shipbuilding, metallurgy, ports, infrastructure, metal processing, hydropower stations, automobile manufacturing, and aerospace.

MAGICART's main products are overhead crane, gantry crane, rubber tyred gantry crane, portal jib crane, dock arm, jib crane, electric hoist, customized crane system and lifting accessories. MAGICART has saved customers huge cost in machine purchase and life cycle operating after long-term technological innovation.

Through long-term unremitting efforts , MAGICART will provide clients with the best cost-effective products to fulfill its mission: **promote client's business!**

- **Garbage Grab Overhead Crane (5~50 ton)**

Experience

- ◆ MAGICART meets the demands of our customers' plants with a skilled team in order to deliver global project experience that will fit the needs and requirements of waste treatment plants of any throughput and size. We will provide superior products and quality services.

Product Description

- ◆ The garbage grab overhead crane is the core equipment of the garbage feeding system of various garbage incineration power plants in modern cities. It is located above the garbage storage pit and is mainly responsible for the operations of feeding, handling, mixing, picking and weighing the garbage.
- ◆ The garbage grab overhead crane produced by our company can perform strict lifting and conveying operations to ensure the normal operation of garbage incineration power plants. And the crane can realize manual, semi-automatic and fully automatic control.

Product Features

- ◆ Adopt anti-sway control technology;
- ◆ Position precise positioning technology;
- ◆ Weighing management system and communication technology;
- ◆ Hydraulic grabbing and lifting control technology;
- ◆ Fault self-diagnosis and remote monitoring and upgrade technology;
- ◆ Intelligent waste material level height judgment technology;
- ◆ Vector frequency conversion speed regulation control technology, PLC control technology, CMS intelligent remote service management system, real-time monitoring of the operating status of the equipment.

Garbage Grab Overhead Crane

Capacity: 5 ~50 t

Model: QZ

Garbage Grab Overhead Crane

- ◆ Sketch for Info Checking

1) Necessary Info needed from client for offer

- SWL / Load Capacity
- Span (S)
- Max. Lifting Height (H)
- Travel Rail Length
- Quantity of crane
- Power Voltage

2) More info needed from client if available

- Workshop Building Drawing or Size
- Height above H-beam (H1)
- Remote control or Cabin control
- Height under H-beam (H2)

Garbage Grab Overhead Crane

Capacity: 5 ~50 t

Model: QZ

SWL / Load Capacity (ton)	Span (m)	Max Lifting height (m)	Class
3	10.5~31.5	3~25	A4~A7
5	10.5~31.5	3~25	A4~A7
10	10.5~31.5	3~25	A4~A7
15	10.5~31.5	3~25	A4~A7
20	10.5~31.5	3~25	A4~A7
30	10.5~31.5	3~25	A4~A7
30~50	10.5~31.5	3~25	A4~A7
Customized	Customized	Customized	N/A

Option :

- Remote control or Cabin control
- Indoor or Outdoor

Why our proposal is so attractive?

Technology Advantages

- Advanced technology in crane structure design
- Advanced electric & hydraulic control system

How to find out the best solution for lifting job?

Just Call 0086 373 5853707

Reliable Fast Services

- Solve-trouble firstly in company rules
- Professional & fast action in solution

Excellent Performance

- 100% performance tested in factory
- Continuous performance optimized plan

Guaranteed Quality

- Qualified components for every part
- 2 years warranty services
